Page Publishing, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Naked Baby, Come Forth from the Snow evolves from Zechariah 14:12. The story describes how Earth has been desecrated by an atomic blast, resulting in a dusty wasteland of little productivity. Evil selfish men, in their struggle for power, have set in motion a holocaust of fire, death, and destruction. However, with God, nothing is impossible, and he chooses to use a king, a horse, and a small boy to replenish a planet, and restore goodness in place of evil. With the help from unlikely sources, one family is able to create redemptive qualities amid destruction--a true testimony of God's love for a lost world.
