THE MOMENT THAT MATTERS (PAPERBACK)

Eric Dowsett, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Moment That Matters clearly explains how all life is interconnected. It provides a thorough understanding of the body and all life as energy, and significantly, the Earth itself as having consciousness. This book looks at the different aspects of the energy of the earth, and how thought and emotions can get locked into an environment. Discover how electromagnetic fields can impact upon your life, understand the need for raising the frequency of the people in a space as well as their surroundings. Eric de-mystifies environmental and personal energy work, giving you the awareness to better understand your relationship with the environment, with self and with others.
